

Corporate legal services

Core strengths

“Our team possesses the right combination of skills, experience and understanding to help clients identify and manage key commercial and legal risks. We cut through the law and solve business and legal issues sympathetically. This integrated approach solves the transaction management problems that our clients commonly face.”

Jeremy Orrell, Head of Corporate

- Manufacturing
- Outsourcing
- Partnership

Corporate legal services

Expertise

Our Corporate team offers a full range of specialist corporate legal services for all types of corporate entity in both the public and private sectors. Our clients include public companies, multi-nationals, investment banks, SMEs and start-ups as well as local authorities, charities and housing associations.

We have a record of successfully completing transactions and projects on behalf of our clients whether they are the simplest of matters or larger public market related transactions. In either case, clients receive high quality legal and commercial advice.

Our team of high quality, pragmatic and commercial lawyers is what is needed to get the job done - friendly, co-operative, but always working with the clients best interests in mind. Acting for both companies and financial advisers, we know what issues matter, and those that don't.
